- Only one (1) brand (Mary Kay, Thirty-one Gifts etc.) may split the table time and fee, between reps. However, one (1) rep is responsible for the contract and full payment. This rep will need to coordinate and communicate any event details with all participating company/organization reps.
- Please donate one (1) raffle prize to be included in the WeeUsables sale raffle. List this item and its value on the form. *Do NOT bring in/give us the prize.* Instead, after the event ends, we will send you the winner's contact information, for your follow-up.
- The Marketplace vendor setup days and times do vary by location/season and our Vendor Coordinator will arrange the timing based on the specific event.
- The Marketplace vendor must remain set up during their consecutive sale days (partial participation); or, until after the Discount Day event ends (full participation).
- The Marketplace vendor will be assigned a table, on a first-come basis, at registration. Please let us know if you have a request and "Wee" will do our best to accommodate.
- Up to two (2) Marketplace reps per table may shop during the **consignor** pre-sale. Additional reps must either purchase a public pre-sale ticket or enter during any of the regular public sale hours.
- The Marketplace vendor may bring their children, but they must remain at their table. Absolutely no unsupervised browsing will be allowed.
